

News for the community, families and early childhood educators of Duplin County.

## WAGE\$

### Child Care WAGE\$®

Project is a statewide initiative created and administered by the Child Care Services Association (CCSA), a non-profit agency. This project provides education-based salary supplements to child care teachers, directors, and family child care home providers working with children between the ages birth to 5.

## Child Care Health Consultant

This program provides a registered nurse to assist child care facilities with health and safety issues. The consultant provides educational services on-site and off-site to child care providers and /or parents in licensed child care facilities requesting assistance. The consultant also assists in making sure the child care facilities are meeting licensure requirements and improving standards.

# Child Care Subsidy

Child Care Subsidies helps income-eligible families receive assistance in paying for childcare for children birth to kindergarten. This program is offered through Duplin County Department of Social Services.

### WAGE\$

El Cuidado de Niño

### WAGE\$®

El proyecto es una iniciativa estatal basada creado y administrado por la Asociación para el Cuidado del Niño (CCSA), una agencia sin fines de lucro. Esta proyecto proporciona suplementos básicos de educación a los maestros, directores y proveedores de cuidado de niños que trabajan con niños desde la edad de nacimiento hasta 5 años.

### Consultor de Salud de Niños

Este programa permite que una enfermera registrada ayuda los proveedores del cuidado de niños con asuntos de salud y seguridad. El Consultor proporciona servicios educativos a los proveedores del cuidado de niños o padres que solicitan ayuda. El consultor también ayuda los proveedores a mantener sus habilidades para poder cuidar niños a los requisitos necesarios y estándares de mejoramiento.

### June is National Dairy Month

Milk is so nutritious, no wonder it's what nature requires for animals and humans to drink when first born. Milk helps build strong bones and reduces the risk of fractures and osteoporosis. A great start to all life. And you know what, it's never too late to start drinking milk either. Any age group can benefit from it! In fact The National Dairy Council who is a leader in nutrition research and education since 1915, tells us that milk builds strong bones for life. "It's never too early or too late to develop lifestyle habits for healthy bones," they say.

#### Great Dairy Facts:

- \* Obesity-Low fat dairy foods such as milk, yogurt and cheese, may help control body fat, according to several studies.
- \* Women who consumed the most calcium and ate at least 3 servings of dairy foods per day were 80% less likely to be obese than those with the lowest intake.
- \* A low fat diet providing 3 serving of low fat dairy products and 8 to 10 servings of fruits and vegetables, significantly lowers blood pressure as much as some medications, especially when combined with a low sodium intake.
- \* The results of a study published in The New England Journal of Medicine show calcium may help reduce the risk of colon tumors.

#### Choco-nana Milk Blast:

##### Ingredients:

1 cup low fat chocolate milk      1 ripe medium banana      1 cup chocolate low fat frozen yogurt  
 1 tbsp chocolate syrup      (Optional) Sprinkles

##### Directions:

Peel banana; break into chunks and place in blender container. Add chocolate milk, yogurt and chocolate syrup. Cover; blend until smooth. Pour into frosted glasses. Top with sprinkles.

### Junio es el Mes Nacional de Leche

La leche es muy nutritiva, por eso no hay que sorprenderse porque los humanos y animales toman leche desde el momento en que nacen. La leche ayuda a fortalecer los huesos y a reducir el riesgo de fracturas y Osteoporosis. ¡Un maravilloso comienzo para toda la vida! Sabe usted que no es nunca tarde para comenzar a tomar leche. Cualquier grupo de edades puede beneficiarse de este hecho. La Junta Nacional de los Lácteos, líder en investigaciones de nutrición y en la educación desde 1915 nos dice que tomar leche fortalece y hace nuestros huesos mas fuertes por toda la vida. No es demasiado temprano o nunca es tarde para desarrollar un estilo de vida en los hábitos de tener hueso saludables.

#### Factores grandiosos de los lácteos:

- \* Obesidad - Productos lácteos bajos en grasa como por ejemplo leche, yogur y queso, puede controlar la grasa en el cuerpo, de acuerdo con algunos estudios.
- \* Mujeres que consumen calcio y comen por lo menos 3 raciones de productos lácteos por día tuvieron un 80% menos obesos que esos que tomaron poco.
- \* Una dieta baja en grasa, poniendo 3 porciones de productos lácteos bajos en grasa y 8 a 10 porciones de frutas y vegetales, baja la presión arterial significativamente al igual a cualquier medicamento, especialmente cuando se combina con comida baja en sodio (sal).
- \* Los resultados de un estudio publicado en The New England Journal of medicine mostro que el calcio puede ayudar a reducir el riesgo de tumores en el colon.

Información tomada de: [www.gone-ta-pott.com/National\\_Dairy\\_Month.html](http://www.gone-ta-pott.com/National_Dairy_Month.html)

#### Choco-nana Milk Blast:

##### Ingredientes:

1 taza de leche baja en grasa      1 cucharada de almíbar de chocolate      Una banana mediana  
 1 taza de yogurt de chocolate bajo en grasa

##### Direcciones:

Pele el banano, póngalo en la licuadora (picar en trozos). Anadir la leche de chocolate, yogurt y el almíbar de chocolate. Cubrir y licuarlo. Ponerlo en vasos que estén fríos.

## Provider Appreciation Day May 6, 2011

Provider Appreciation Day is a special day to recognize child care providers, teachers and other educators of young children everywhere. Today's child care professionals are the world's unsung heroes. This profession is one of the most underpaid occupations in the country; yet research shows that early childhood is the most critical developmental period in a child's life. It takes a special person to work in this field and the contribution these individuals make to the quality of children's and families' lives too frequently goes unnoticed. This day offers a unique opportunity to recognize and commend the unselfish dedication, commitment and compassion that child care providers demonstrate everyday. Even the smallest of efforts mean so much to those who have your children in their care. Your provider's smile will be your reward.

### *Ideas for Parents*

- Get together with other parents to create a surprise
- Send flowers, cards or a handwritten note of appreciation
- Bring breakfast or lunch for your provider and for the kids
- Work with your child to create a special remembrance
- Buy something for your provider's play area
- Give your provider a paid day off, a raise, or a bonus
- Key in on your provider's hobby and buy an appropriate gift
- Check to see if your employer provides scholarships for toys, equipment or training that you can sponsor as a parent

**Do not let this day go by without a special thank you to this person who is so important to you and your child!**

**Week of the Young Child**  
April 10-16, 2011

**WOYC**

Duplin County Partnership for Children, Smart Start will be celebrating the "Week of the Young Child" April 10-16, 2011. The partnership will be sponsoring a State of the Child Breakfast. In appreciation of the exceptional service provided by our child care community, staff and volunteers will be visiting the child care facilities.

**Week of the Young Child**  
April 10-16, 2011

**WOYC**

La Asociación para Los Niños del Condado de Duplin celebrarán "La Semana de los Niños Jóvenes" el 10-16 de Abril, 2011. La Asociación tendrá un Desayuno Gratis durante. En el aprecio del servicio excepcional proporcionado por nuestra comunidad del cuidado de los niños, los empleados del Asociación y voluntarios visitarán los proveedores de cuidado de niños.

Esta abierto a los padres, a profesionales, a los miembros de la comunidad o a cualquier persona que tenga preocupaciones de la seguridad de los menores.

**La prevención puede venir  
del conocimiento**

February 9, 2011

**MEMORANDUM****TO:** Local Environmental Health Directors, Supervisors and Coordinators**FROM:** Wayne Jones, Regional Environmental Health Specialist Children's Environmental Health Branch**THROUGH:** Ed Norman, Program Manager Children's Environmental Health Branch**SUBJECT:** Administrative Rules 15A NCAC 18A .2800 and Approved Bottle Warming Methods in Child Care Centers

This memo is in reference to bottle warming procedures in child care centers and more specifically the use of crock-pots. Crock-pots **are not** approved as bottle warming equipment; therefore, they are prohibited for use in child care centers for such purpose.

Regardless of the method used, bottles must be warmed in an approved **child care kitchen** or **food preparation area**. In food preparation areas and kitchens, approved bottle warming methods include:

- Use of equipment manufactured specifically for bottle warming, provided it is used in accordance with manufacturers' instructions
- Bottles placed under running tap water or in container(s) of warm water
- Other methods approved on a case-by-case basis

The 'tempered' and 'burn hazard' water requirements in Rule .2815(e) do not apply to equipment manufactured specifically for bottle warming. If other bottle warming methods are used in food preparation areas, compliance with Rule .2815(e) is required.

For inspection and compliance purposes, the use of crock-pots is prohibited for bottle warming and non-compliant centers shall receive 4 demerits on item #9 of the grade sheet. In addition, if crock-pots, running tap water or containers of water are used to warm bottles in food preparation areas, water temperatures greater than 110°F up to 120°F are non-compliant and 4 demerits on item #16 shall be assessed, while water temperatures exceeding 120°F shall receive 6 demerits on item #17.

Please contact Ed Norman at (919) 715-3293 or Wayne Jones at 910-290-3047 with questions or comments.

[http://www.deh.enr.state.nc.us/ehs/Children\\_Health/Child\\_Care/Child\\_Care\\_Policy\\_Memos/ApprovedBottleWarmingMethods2911.pdf](http://www.deh.enr.state.nc.us/ehs/Children_Health/Child_Care/Child_Care_Policy_Memos/ApprovedBottleWarmingMethods2911.pdf)

## Quality Enhancement Project

The Quality Enhancement Project helps to improve the quality of child care facilities by providing non-cash quality enhancement packages. These packages include extensive training, educational resources, and workshops. For more information please contact Susan Elixson or Rita Flynn at 910-296-2000.

Pre Quality Enhancement

Post Quality Enhancement

### **ATTENTION LENDING LIBRARY MEMBERS**

Please be sure to renew your membership by **July 1<sup>st</sup>**. Centers and Pre-K's receive 30 feet of free lamination per membership year. Family Child Care Homes receive 15 feet per year.

*The free lamination does not carry over or accumulate each year.*

We welcome all Duplin County citizens to join the library. Individual memberships are available as well as memberships for child care centers, Pre-Ks and Family Child Care Homes. Some of the resources we have available are as follows:

Children's books and CDs

Parenting resources

Prop boxes-theme boxes that contain such activities as literature, games, music and dramatic play props.

Workstation-laminator, Ellison die cut machine, paper cutter, art waxer, construction paper

If you are interested in joining or renewing your membership, call 296-2000 for information on membership fees and hours of operation.

***Please stop by and visit our library!***

Effective June 2011, cribs manufactured, sold, or leased in the United States must comply with the new federal standards.

Effective 24 months after the rule is published, child care facilities, such as family child care homes, and infant Head Start centers, and places of public accommodation, such as hotels and motels, must have compliant cribs in their facilities.

For more information on crib safety and safe sleep environments for baby, visit

CPSC's crib

information center at:

[www.cpsc.gov/info/cribs/index.html](http://www.cpsc.gov/info/cribs/index.html).

*Information from U.S. Consumer Product Safety Commission.*

### **Subsidized Early Education for Kids (SEEK)**

In 2011, North Carolina will begin using Subsidized Early Education for Kids (SEEK), a new attendance reporting and payment delivery system for child care facilities serving subsidized children.

Child Care Providers will be receiving an application packet in the mail regarding SEEK. **The deadline is April 20, 2011**

Please call Tonya C. Stewart, CCR&R Director at 910-296-2000 ext. 109 if you have any questions regarding the application packet.
