## IMPORTANT MESSAGE!!!!!!!!!!

### Virtual Workshops

- EACH person wishing to register for a workshop must register separately and have an email address (cell phone numbers will be accepted if participant does not have an email) for the above virtual meeting, email addresses, registration forms and payment must be received by **October 14<sup>th</sup>**.
- One day prior to the workshop, registered participants will be emailed the link to join the Zoom workshop. Due to credit hours being issued, participants may not share the Zoom link with others who have not registered.
- EACH participant must log into the class individually for attendance (no group log-ins under 1 person's link)
- Attendance for certificates will be taken by those whose names are listed as participants in the workshop
- Certificates will be mailed to the participant's place of employment

Zoom tips: \*A computer is the best option for signing on to a Zoom workshop, but a cell phone will also work \*Participants do not have to use the video feature, but a microphone is optimal. If no microphone is available, participants will be asked to use the chat feature to communicate during the workshop, as well as complete polls, assessments, etc.
